Hi [REDACTED] [9K]

Your contracting appointment is Tuesday, August 8th at 2:30 PM in our Holgate office. Located on the corner of Holgate and Airport Way South, we share a parking lot with the Office Depot. The address is:

1737 Airport Way S., Suite 130
Seattle, WA 98134

You must bring valid identification, as well as your Social Security Card. If you do not have those two things with you, or if they do not match, we will not be able to contract you on the 8th.

Service Employees International Union (SEIU) 775 represents long-term care workers. This union offers benefits, such as healthcare and dental care, that you may be eligible for. I have signed you up to attend their meeting at the same address above, in the Puget Sound Room, on Monday, August 14th at 9:00 AM. This meeting is not mandatory, though we encourage you to go.

Please feel free to give me a call at (206) 341-7711 if you have any questions or concerns.
