

**Name**

LGBTQ+ State of the State

**Description**

- explore, learn, and fully discuss LGBTQ+ issues and how it impacts our students, educators, families, and communities;
- review current state and local policies and practices that impact LGBTQ+ issues and identify possible changes to current policies and practices, or potential new ones needed in order to address the issue; and
- create implementation plans that address LGBTQ+ issues with a clear focus on promoting student learning, student success, and quality teaching and learning environments.
